2011 SPRING CONFERENCE & TRADE SHOW

The statewide conference for transportation contractors, aggregate producers, consultant engineers, material suppliers, and government transportation officials.

Focusing on Virginia's constantly changing environment and the impact it has on the transportation construction, engineering and aggregate industries this year's conference will explore the outcome of the latest funding efforts by the General Assembly. The potential for new funding as our economy recovers will have significant impact on how VDOT and the industry pursue the delivery of the Commonwealth's Transportation Program. In addition to specifics on the future of transportation funding the conference will include multiple technical and business development sessions led by VDOT and industry personnel. Throughout the duration of the conference over 70 industry businesses will be showcasing their latest products and services in the Exhibit Hall.

The 8th hole is recognized as one of the Mid-Atlantic region's best par 4 holes by Tee Time Magazine. Players of all skill levels will enjoy playing Kiln Creek.

Tournament fees include greens fees, a boxed lunch, cart, range balls and tournament prizes. The format will be Captain's Choice and pairings will be done by VTCA.
