

INTERMEDIATE WORK ZONE TRAFFIC CONTROL TRAINING

Holiday Inn Tanglewood
Roanoke, VA
June 9 - 10, 2009

VDOT is implementing new work zone training requirements for personnel engaged in the design, construction and maintenance of work zones on VDOT contracts. Successful completion of one of three different courses consistent with an individual's responsibilities will be required. The new requirements are expected to be included in VDOT contracts beginning with the July 2009 Advertisement.

VDOT Intermediate Work Zone Traffic Control Training

This two day course is required for all persons with the following **Construction** type duties: Inspection of the placement or operational function of work zone traffic control devices; Construction Supervisory responsibilities; Maintenance of Traffic Coordinators on construction projects; Regional Traffic Engineering Work Zone Safety Coordinators; Regional Safety Engineers (ES&H); Traffic Control Supervisors; and personnel with responsibility for the development of work zone safety policies and procedures.

Participants who complete the course and successfully pass the course examination will receive a certificate of completion that meets VDOT's Work Zone Training requirements.

The two day course will be held at the Holiday Inn Tanglewood in Roanoke, Virginia on June 9 - 10, 2009.

Course Topics

- * Work Zone Standards & Guidelines
- * Installation & Removal Procedures
- * Inspection, Documentation & Supervisory Skills
- * Setting Up Sample Work Zones

ENROLLMENT
