Virginia Transportation Construction Alliance 620 Moorefield Park Drive, Suite 120 Richmond, Virginia 23236

Phone: (804) 330-3312 Fax: (804) 330-3850

Architect / Engineer Member

Virginia Transportation Construction Alliance

Guidelines for determining total revenue for Architect/Engineer Members of the VTCA:

Dues for Architect/Engineer members are \$850.00 per calendar year. Fees are assessed based on the member's revenue from all VDOT and municipal contracts and subcontracts performed in the Commonwealth of Virginia financed in whole or in part by public funds including bond issues of local governments, associations, corporations or authorities on types of work normally performed by transportation contractors and engineering firms.

Work involving airports, ports, rail, military facilities and private development is not included in the fee structure except to the extent that it includes work that is part of the Commonwealth's highway or street system and is funded in whole or in part by public funds or by bond issues as described above. The Commonwealth's highway or street system is meant to include highways, streets and related infrastructure throughout the Commonwealth whether built or maintained by VDOT or the Cities, Counties and/or Municipalities within the Commonwealth. Specifically, this includes all VDOT procurement, contracts awarded under the Public-Private Transportation Act (PPTA), all highway or street projects within Cities, Counties and Municipalities funded in whole or in part by Federal or State funds or bond issues.

Please check the box below that corresponds with your Transportation-related revenue. Then transfer the fee listed to calculate your membership investment.

Transportation-related revenue for 10/1 - 9/30 preceding the date of your application (Check One)	Fee	✓
\$0 to \$999,999.99	\$150	
\$1,000,000 to \$1,999,999.99	\$350	
\$2,000,000 to \$4,999,999.99	\$500	
\$5,000,000 to \$7,999,999.99	\$700	
\$8,000,000 and above	\$1000	

Dues, fees and contributions are not deductible as charitable contributions but may be deductible as ordinary and necessary business expenses. Also, the Omnibus Budget Reconciliation Act of 1993 does not permit you to deduct that portion of your dues attributable to our lobbying efforts. This year, fifty percent of \$850 will not be tax deductible as an ordinary and necessary business expense.

I understand my yearly membership investment will be:

\$ 850.00	Dues
+ \$	Fees, as checked above
\$	Total Yearly Membership Investment

I understand I will be invoiced quarterly.

APPLICATION FOR MEMBERSHIP

Architect / Engineer

The undersigned hereby makes application for membership in the Virginia Transportation Construction Alliance, as an Architect/Engineer Member.

This application will be presented to the Board of Directors and, if elected, the undersigned agrees to be governed by the Bylaws of the Alliance and to aid and assist in advancing the mission and Code of Ethics of the Alliance.
