

VIRGINIA TRANSPORTATION CONSTRUCTION ALLIANCE

ASSOCIATE-SPONSORED SCHOLARSHIP PROGRAM GUIDELINES

The Associate Membership of the Virginia Transportation Construction Alliance is composed of suppliers to Virginia's transportation construction industry. We offer two scholarships each year -- ***The Associate Scholarship*** and ***The Rutherford Companies Scholarship***.

Objective:

To provide financial assistance to qualified and deserving students attending institutions of higher learning. Applicants will preferably have a demonstrated interest in some area of the transportation industries.

Funding:

The scholarships are funded by the Associate Membership of VTCA and by Thomas Rutherford, Inc. The amount of the scholarships for the 2010-2011 academic year are up to \$1,500 for students enrolled in a two-year program and up to \$3,000 for students in a four-year program. Expenses that will be included in determining the amount of the scholarship include tuition, books, room and board. The Associate Leadership Committee reserves the right to change the number or amount of the scholarships.

Eligibility:

1. An applicant must be the dependent child of an employee of a member firm, in good standing, of the Virginia Transportation Construction Alliance. Applicants must be citizens of the United States.
2. This program is for undergraduates only. Applicants must be completing their senior year of high school or be enrolled full time at an accredited institution of higher learning. [Applicants must be enrolled full time at, or have an acceptance letter from, an accredited institution at the time of the scholarship award.] Applicants must have a minimum cumulative grade point average of 2.0 on a 4.0 scale.
3. A recipient of a scholarship in one year may apply the following year, and may receive preference based upon performance. VTCA reserves the right, however, to award the scholarship to another applicant whose qualifications exceed those of a previous recipient.

Application Process:

Candidates must submit:

1. A personal letter outlining your qualifications.
2. A brief essay demonstrating your interest in some area of the transportation industries.
3. The application form.
4. High school and college transcripts (if applicable).
5. Reference form completed by a member of the applicant's academic community.
6. Form certifying that a parent is employed by a VTCA member.

Entries must be received by VTCA by April 23, 2010 for the 2010-2011 scholarships.

Evaluation and Selection:

Applications will be screened by the Scholarship Subcommittee of the VTCA Associate Leadership Committee. The criteria for selection include academic performance, employment experience, extracurricular and leadership activities and a demonstrated interest in the transportation industries. Applicants may be required to meet personally with members of the selection committee. Selections will be announced in early June. In the event no qualified students apply, VTCA reserves the right to withhold the scholarships.
